

Tele-MANAS

Tele Mental Health Assistance and Networking Across States

Accessing mental healthcare has never been easier!

Please call the
toll-free helpline at
14416 or
1800-891-4416

You can connect
with a trained and
accredited
counsellor

You may be
connected with a
mental health
specialist in case
specialised care is
required

You can also
connect with
medical resources
or e-Sanjeevani
for in-person and
online services
